### PRAIRIE HOLLOW AND BRYANT

(Special Correspondence.)

(Too late for last week)

Some parts of this vicinity had a  
good rain last Wednesday.

There was an all day singing at  
the Bryant church Sunday. Will  
Starne, Miss Eunice Lyles and Miss  
Esther Starne attended in the af-  
ternoon. A number of Mansfield  
people were there, too.

Last Tuesday the thresher worked  
at the Dave Hoover farm. They  
threshed 915 1/4 bushels and Tues-  
day had the misfortune of losing  
one of their horses. It is thought  
its death was caused from some-  
thing it had eaten.

A 11-pound baby boy was born  
to Elmer Shipnough and wife Tues-  
day.

Drue Turner, wife and baby spent  
Monday evening at R. W. Starne's.

Mrs. Rinda Brazeal has some fine  
hay on her Prairie Hollow farm,  
which she has just had baled.

J. D. Reynolds was out at his  
Prairie Hollow farm Tuesday and  
had some machinery taken to town.

Miss Esther Starne has a new  
pony, she intends to ride to school.

Pressley Smith and wife spent  
Wednesday in Mansfield and their  
daughter Mettie, who had been  
staying in town, returned with  
them.

Mr. James the new teacher at the  
Roy school house, stays at Francis  
Heiths, he was a visitor of the Roy  
boys Sunday.

Earnest Roy worked the roads be-  
tween Ungle's and Barlow's Thurs-  
day. Poly Roy worked at Marshalls  
and L. M. Roy worked with seven  
men farther down. The roads cer-  
tainly needed the work done and  
people should appreciate it after it  
is done.

Bro. Poort preached in the Ava  
vicinity Sunday.

BLUE EYES.

### Better Than Spanking.

Spanking will not cure children  
of wetting the bed, because it is  
not a habit but a dangerous dis-  
ease. The C. H. Rowan Drug Co.,  
PO Drawer 676, London, Canada,  
have discovered a strictly harm-  
less remedy for this distressing  
disease and to make known its  
merits they will send a 50 cent  
package securely wrapped and  
prepaid absolutely free to any  
reader of the Mansfield Mirror.  
This remedy also cures frequent  
desire to urinate and inability to  
control urine during the night or  
day in old or young. The C. H.  
Rowan Drug Co. are an Old Re-  
liable House; write to them to-  
day for the free medicine. Cure  
the afflicted members of your  
family, then tell your neighbors  
and friends about this remedy.

### "GET BUSY!"

"Get busy!" is the slogan for  
Mansfield's Second Annual Agri-  
cultural and Stock Show. We  
notice from our exchanges that  
some places are calling off their  
fall festivities. Yea, not so with  
Mansfield, the Gem City of the  
Ozarks. Several farmers and citi-  
zens have already notified Dr. F.  
H. Riley, the president, of prod-  
ucts laid away for exhibition.

Get busy, neighbor, for with-  
out the hearty cooperation of the  
farmer it would be impossible to  
give an agricultural and stock  
show. While you may think your  
products are not good, bring  
them in. We need them. We  
need your help. They may be  
better than your neighbor's after  
all and you may win a cash prize  
and a ribbon. This is the very  
year, above all others, to give a  
show and let the people see what  
can be raised with the season  
against us. Let us make this  
fall's show bigger and better  
than ever in attendance and  
quantity if not in quality. We  
have some peaches, pears and  
grapes in preserving fluid which  
are equal to any season's. This  
fall's show will be a great adver-  
tisement for Mansfield and vicin-  
ity, so get busy, and help in ev-  
ery way you can.

A circular letter is now being  
mailed relative to exhibits. If  
you fail to receive one, ask Dr.  
Riley, W. C. Coday or the Mirror  
for one and fill out and return  
the same, so the committee will  
have some idea how much space  
to prepare for exhibits in each  
department. Get busy!

In addition to the Stock Show  
and its various departments, the  
G. A. R. reunion will be here all  
week, commencing Monday, Sept.  
22. Nowhere else can you find so  
much as you can at Mansfield.  
There will be exhibits to please  
all. Farm products, grains and  
grasses, domestic exhibits, fruits,  
fancy work, horses, mules, cattle,  
sheep, swine, goats, poultry,  
school exhibits—surely there  
will be something for all. Then  
there will be prizes offered in  
various contests, free attractions  
of all kinds, shows, and so many  
other things that we haven't time  
to tell it; you just come and see  
for yourself.

### Dry Farming Congress

An International Dry-Farming  
Congress will be held at Tulsa, Ok-  
la., Oct. 27—31. This great farm  
meeting will be held in nine sec-  
tions, as follows: Soils, tillage  
methods, and farm machinery;  
seeds and seed breeding; farm  
forestry; live stock and dairying;  
farm education; farm management;  
farm engineering; conference of agricul-  
tural colleges; international con-  
gress of farm woman.

The International Soil Products  
Exposition will be held at Tulsa,  
Oct. 22—Nov. 1. For the sixth  
time there will be shown a wonder-  
ful collection of dry-farmed crops.

All farmers are invited to attend  
and take part in the world's great-  
est farm convention, the eighth In-  
ternational Dry-Farming Congress  
and the International Soil Products  
Exposition. Full information on  
any subject connected with the  
Congress and Exposition may be  
had free by addressing the Interna-  
tional Dry-Farming Congress, Tul-  
sa, Okla.

A list of valuable premiums is  
offered for competition in the ex-  
position to be held in connection  
with the International Congress of Farm  
Women. A complete premium list,  
including \$700 in cash prizes for  
the soil products exposition, held  
in connection with the dry-farming  
congress, may be had free on ap-  
plication to the headquarters at  
Tulsa.

### State Fair Premium List.

The county clerk has just re-  
ceived a number of copies of the  
Missouri State Fair premium list  
for 1913. These are for free dis-  
tribution in the county and any-  
one may secure them by calling  
at the county clerk's office or  
writing the secretary of the Mis-  
souri State Fair, Sedalia.

The premium list shows in-  
crease in premiums over previous  
years, which means that the State  
Fair is growing. One especially  
noticeable thing in this year's  
premium list, on page 8, is the  
establishment of a Boy's State  
Fair School. This new feature  
promises to be one of great  
value to every part of the state,  
as one boy from each county  
will be entertained by the State  
Fair and will get one week of in-  
struction and practical training  
in the most up-to-date methods of  
farming and stock raising. Many  
other features have been added.  
The dates for the State Fair this  
year are September 27 to Octo-  
ber 3.

### Gets Road Money.

Only sixty-five counties of the  
114 in Missouri constructed any  
permanent roads during the year  
ending June 30. This is indicated  
by the fact that only that number  
has made requisition on the state  
auditor for their share of the gen-  
eral state road fund. The law  
provides that a county may re-  
ceive half the amount expended  
for permanent roads from the  
state, provided that does not ex-  
ceed 3 per cent of the total fund.

The auditor will apportion  
among counties the receipts into  
the stamp tax fund for road pur-  
poses whenever they make requi-  
sitions for it through their county  
courts. This fund is distributed  
among the counties upon the basis  
of the school enumeration.

Upon July 1 the auditor set  
aside the amount to which each  
county is entitled from the gen-  
eral road fund and from the stamp  
tax fund.

Wright county gets \$489.70  
from the road fund and \$736.25  
from the stamp tax fund.

### Canning Factory in Operation

The Hoaglin Canning factory is  
now in operation, with G. W. Hoag-  
lin of Strafford in charge. The fac-  
tory will be open every Tuesday  
and Friday and oftener if necessary.  
It will very probably continue in  
operation until the middle of Octo-  
ber. Mr. Hoaglin has fifty acres of  
tomatoes contracted for. One and  
perhaps two carloads of tomatoes  
will be canned this season. A car-  
load means from 12,000 to 18,000  
cans. The factory may take up the  
canning of peaches as well as toma-  
toes. Other factories have had to  
close down this year but Mansfield  
is still in the ring. The farmers of  
this vicinity are certainly fortunate  
in having a home market for their  
produce.

### B. Y. P. U. Organized

A Baptist Young Peoples Union  
was organized at the Baptist church  
Sunday evening, with the following  
officers:

President, C. A. Stephens.  
Vice-President, Prof. Arthur Ar-  
nold.

Secretary, Mrs. A. E. Tarbuton.  
Treasurer, Miss Stella Seal.

Chorister, Prof. Arthur Arnold.  
Meetings will be held every Sun-  
day at 7 p. m. Everybody cordi-  
ally invited.

C. A. Stephens will conduct the  
meeting next Sunday evening.

### An Orchestra of One-Armed Men.

One of the most popular orches-  
tras in Portland, Ore., is com-  
posed entirely of one-armed men,  
six of whom are minus a right  
hand or arm, while the seventh  
has only a right hand. The in-  
struments used are a piano, cello,  
violin, cornet, trombone, mando-  
lin and drums. This unique or-  
ganization of musicians is in great  
demand for dances. A picture of  
the orchestra appears in the Au-  
gust Popular Mechanics Maga-  
zine.
